

Curriculum Vitae
George R. Milner

Present Position

Office: (814) 865-1268
FAX: (814) 863-1474
Email: ost@psu.edu

Professor and Department Head
Department of Anthropology
Pennsylvania State University
University Park, PA 16802

Education

1983-84 Postdoc, Physical Anthropology, Smithsonian Institution, Washington, DC
1982 Ph.D., Anthropology, Northwestern University, Evanston, IL
1976 M.A., Anthropology, Northwestern University, Evanston, IL
1975 B.A., Anthropology, Beloit College, Beloit, WI

Areas of Specialization

Human Osteology (paleodemography, age estimation, trauma), Prehistory of Eastern North America (Mississippian societies, warfare, population, settlement)

Professional Employment

2011+ Head, Department of Anthropology, Pennsylvania State University
2005-06 Interim Head, Department of Anthropology, Pennsylvania State University
1995+ Professor, Department of Anthropology, Pennsylvania State University
1994-95 Interim Head, Department of Anthropology, Pennsylvania State University
1990-95 Associate Professor, Department of Anthropology, Pennsylvania State University
1986-90 Assistant Professor, Department of Anthropology, Pennsylvania State University
1986-93 Curator, Museum of Anthropology, Pennsylvania State University
1984-86 Director-Curator, Adjunct Assistant Professor, Museum of Anthropology, University of Kentucky
1983-84 Postdoctoral Fellow, Physical Anthropology, Department of Anthropology, Smithsonian Institution
1978-83 Biological Anthropologist (1978-83), Archaeological Site Director (1979-83), Editor (1983), FAI-270
Archaeological Project, University of Illinois
1972-77 Site and Survey Supervisor, several institutions and government agencies

Professional Service

2015-18 Native American Repatriation Review Committee, Smithsonian Institution, National Museum of Natural History
2014+ Associate Editor, *International Journal of Paleopathology*
2014+ Associate Editor, Cambridge Studies in Osteoarchaeology and Human Bioarchaeology, Cambridge University Press
2014+ Editorial Board, *Midcontinental Journal of Archaeology*
2014 SBES Major Research Instrumentation Panel, National Science Foundation
2014 Student Award Committee, 20th annual European meeting, Lund, Sweden
2014 Scientific Committee, Paleopathology Association, 20th annual European meeting, Lund, Sweden
2013+ Associate Editor, *Journal of Anthropological Archaeology*
2013-17 Advisory Board, 1000 Års Mennesker, Sydvestjyske Museer and Syddansk Universitet, Research project focusing on skeletons spanning a millennium from Ribe, Denmark
2013-17 Member-at-Large, Section on Anthropology (H), American Association for the Advancement of Science
2013-14 Advisory Board, *International Journal of Paleopathology*
2012-15 President-Elect (2012-13) and President (2013-2015), Paleopathology Association
2011-13 Committee on Repatriation, Society for American Archaeology
2010+ Scientific Working Group (SWG-ANTH) Education and Training, Best practices in forensic anthropology for the FBI and JPAC-CIL
2010+ Scientific Working Group (SWG-ANTH) Statistical Methods, Best practices in forensic anthropology for the FBI and JPAC-CIL
2009-12 President-Elect (2009-10) and President (2010-2012), Midwest Archaeological Conference
2008+ Scientific Working Group (SWG-ANTH) Age Estimation, Best practices in forensic anthropology for the FBI and JPAC-CIL

- 2007 External Review, Department of Anthropology, University of California-Santa Cruz, CA
- 2006 Student Paper Committee (annual meeting competition), Midwest Archaeological Conference
- 2005+ Forensic Anthropologist, Disaster Mortuary Operational Response Team (DMORT), Region III, National Disaster Medical System (NDMS), US Department of Health and Human Services (HHS); 2010 Haiti Deployment
- 2005 Anthropology and Archaeology Panel, Division of Preservation and Access, National Endowment for the Humanities
- 2004-08 Editorial Board, *Archaeology in America: An Encyclopedia*, Greenwood Publishing Group
- 2004-07 Council Delegate, Section on Anthropology (H), American Association for the Advancement of Science.
- 2004-06 Executive Officer, Midwest Archaeological Conference
- 2004 External Review, Department of Anthropology, SUNY-Albany, NY
- 2003 External Review, Department of Anthropology, University of Alabama, Tuscaloosa, AL
- 2002 Material Culture Projects Panel, Division of Preservation and Access, National Endowment for the Humanities
- 2001 External Review, Proposed PhD Program in Anthropology, University of Alabama, Tuscaloosa, AL
- 2001-02 Staley Book Prize Committee, School of American Research, Santa Fe, NM
- 1999 Member, External Review Committee, NAGPRA Skeletal Documentation at the Illinois State Museum, Springfield, IL
- 1998-06 Editorial Board, *Journal of World Prehistory*
- 1998-01 Associate Editor, *American Journal of Physical Anthropology*
- 1997+ Repatriation Committee, American Association of Physical Anthropologists
- 1997-99 Consultant, River Web: A Knowledge Network of Mississippi History and Culture, Teaching with Technology Program, Illinois State Museum, National Endowment for the Humanities
- 1996 Preservation of Material Culture Collections Panel, National Endowment for the Humanities
- 1995 External Review Committee, Dayton Museum of Natural History and Sunwatch Archaeological Park, Dayton, OH
- 1995 Chair, Nomination Committee, Southeastern Archaeological Conference
- 1994-12 Editorial Board, *Journal of Anthropological Archaeology*
- 1992-95 Archaeology Panel, National Science Foundation
- 1988-91 Chair (1990-1), Section on Anthropology (H) Electorate Nominating Committee, American Association for the Advancement of Science
- 1986-87 Consultant, Traveling Museum Exhibit, Kentucky Anthropological Research Facility, University of Kentucky, funded by the Kentucky Humanities Council
- 1985 Coeditor, Kentucky Archaeology Newsletter, Kentucky Anthropological Research Facility, University of Kentucky
- 1983-97 Consultant, Osteological Analyses, FAI-270 Archaeological Project, Department of Anthropology, University of Illinois
- 1981-83 Quality Control Committee, Illinois Archaeological Survey

University Service (University, College, and Department [chair only for departmental committees])

- 2014+ New Sociology and Anthropology Buildings Program Committee, Penn State
- 2014 Research and Graduate Studies Associate Director Search, Faculty and Heads Advisory Committee, College of the Liberal Arts, Penn State
- 2013-14 Forensic Science Program Director Search Committee, Eberly College of Science, Penn State
- 2010-11 Advisor, ARSCI (Archaeological Science) BS major, Schreyer Honors College, Penn State
- 2010-11 Chair, Building Space Assessment Committee, Department of Anthropology, Penn State
- 2009-10 Chair, Undergraduate Affairs Committee, Department of Anthropology, Penn State
- 2007-08 Chair, University Immediate Promotion and Tenure Committee, Penn State
- 2006-07 University Immediate Promotion and Tenure Committee, Penn State
- 2006+ Forensic Science Graduate Program, Eberly College of Science, Penn State
- 2005-06 Academic Administrative Review of the Head of the Department of Landscape Architecture, College of Arts and Architecture, Penn State
- 2005-06 Bioethics and Medical Humanities Program Committee, Intercollege Programs, Penn State
- 2005-06 Forensic Science Program Advisory Committee, Eberly College of Science, Penn State
- 2004-12 Advisory Council, Earth and Mineral Sciences Museum, College of Earth and Mineral Sciences, Penn State
- 2001-02 Chair, Archaeology Search Committee, Department of Anthropology, Penn State
- 2000-03 Facilities Planning Advisory Board, Penn State

1999-01 Faculty Team, Teaching and Learning Consortium, Penn State
 1999-00 Graduate Student Award Committee, College of the Liberal Arts, Penn State
 1999-04 Chair, Graduate Affairs Committee, Department of Anthropology, Penn State
 1998-05 University Immediate Promotion and Tenure Committee, Penn State
 1996-98 University Promotion and Tenure Committee, Penn State
 1996 Chair, Leibowitz Lecture Committee, College of the Liberal Arts, Penn State
 1995-97 Chair (1996-97), Research and Graduate Studies Committee, College of the Liberal Arts, Penn State
 1995 Undergraduate Strategic Planning Committee, College of the Liberal Arts, Penn State
 1993-99 Chair, Undergraduate Affairs Committee, Department of Anthropology, Penn State
 1991 Bioscience Research Support Grant Awards Committee, Penn State
 1987-93 University Committee on Systematics Collections, Penn State
 1984-86 Art Museum Committee, University of Kentucky

Academic Awards

2011 Honorary Member, Outstanding Faculty Member, Golden Key International Honour Society, Penn State
 2002 Fellow, American Association for the Advancement of Science
 1999 Distinction in the Social Sciences, College of the Liberal Arts, Penn State
 1994 Milner GR, Oliver JS, Schroeder EK. Outstanding Poster by a Professional, Society for American Archaeology annual meeting, Anaheim, CA
 1975 Anthropology Departmental Honors, Beloit College, WI
 1975 Phi Beta Kappa, Beloit College, WI

Fellowships, Grants, and Funded Projects

2015-17 Principal Investigator, SM Getz co-PI, Doctoral Dissertation Research: Improved Skeletal Age-at-Death Estimation and Its Impact on Archaeological Analyses. National Science Foundation, \$23,950.
 2015-17 Principal Investigator, JL Boldsen and S Ousley co-PIs, Adult Age Estimated from New Skeletal Traits and Enhanced Computer-Based Transition Analysis, National Institute of Justice, \$501,047.
 2015-16 Co-Principal Investigator, S McClure PI, E Zavodny co-PI, Doctoral Dissertation Research: Emergence of Inequality at the End of the Bronze Age in Northern Croatia, National Science Foundation, \$30,080.
 2011-13 Principal Investigator, G Chaplin co-PI, Late Prehistoric Warfare in Eastern North America: Spatial and Temporal Variation in its Nature and Intensity, National Science Foundation, \$113,625.
 2001-02 Co-Principal Investigator, RW Jefferies co-PI, Cypress Creek Archaic Project: Survey and Test Excavations, Kentucky Heritage Council, Frankfort, \$14,000.
 2000-01 Co-Principal Investigator, JW Wood co-PI, New Approaches to Paleoepidemiology, RGSO, Penn State, \$8,000.
 2000 Principal Investigator, Trauma in Medieval Denmark: The Perspective from Human Skeletons, American-Scandinavian Foundation, New York, NY, \$3,000.
 1999 Co-Principal Investigator, JW Wood co-PI, Violent Conflict and Social Rank in Medieval Denmark: A Pilot Study, Research and Graduate Studies Office, Penn State, \$3,700.
 1998-99 Co-Principal Investigator, RW Jefferies (co-PI), The Green River Archaic Project: Initial Reconnaissance, Kentucky Heritage Council, \$2,000.
 1995-96 Co-Principal Investigator, JW Wood co-PI, Population, Health, and Economy in Medieval Denmark. Research and Graduate Studies Office, Penn State, \$4,000.
 1995-96 Subcontractor, Human Skeletal Analysis for the Susupe Project on Saipan, CNMI, Micronesian Archaeological Research Services, Guam, \$7,500.
 1994 Principal Investigator, Cahokia: A Prehistoric Mississippi River Chiefdom. Internal Award, Research and Graduate Studies Office, Penn State, \$5,000.
 1994 Co-Principal Investigator, M Stoneking and A Stone co-PIs, Doctoral Dissertation Research: Genetic and Mortuary Analyses of a Prehistoric Native American Community, National Science Foundation, \$10,852.
 1993-94 Principal Investigator, Ancient Chiefdoms in the Eastern Woodlands: The View from Cahokia. Federal Matching Funds, National Endowment for the Humanities, \$5,000.
 1993 Principal Investigator, Matching contribution to the National Endowment for the Humanities Federal Grant Matching Fund Program, Illinois State Museum Society, \$5,000.
 1993 Principal Investigator, S Schroeder co-PI, Doctoral Dissertation Research: Landscapes and Populations: Late Prehistoric Occupation of the Cahokia area, Wenner-Gren, \$9,200.

- 1992-95 Principal Investigator, Ancient Chiefdoms in the Eastern Woodlands: The View from Cahokia. National Endowment for the Humanities, \$44,327.
- 1990-93 Principal Investigator, Late Prehistoric Settlement in a Portion of the Central Mississippi River Valley in Illinois and Missouri. National Science Foundation, \$70,451.
- 1988-89 Co-Principal Investigator, P Deines, D Reed, WT Sanders, D Webster co-PIs, An Examination of Nutrition and Health by the Stable Carbon and Nitrogen Isotope Analysis of Human Bone. Biomedical Research Support Grant, Penn State, \$8,240.
- 1987-88 Principal Investigator, Late Prehistoric Settlement in the Central Mississippi River Valley of West-Central Illinois. Research Initiation Grant, Penn State, \$6,892.
- 1987 Subcontractor, FAI-270 Archaeological Mitigation Project Range Site Mississippian Component Human Skeletal Analysis. University of Illinois at Urbana-Champaign, \$2,125.
- 1987 Subcontractor, Cahokia Interpretive Center Tract II Human Skeletal Remains Analysis. Southern Illinois University at Edwardsville, \$507.
- 1985-86 Principal Investigator, New Deal Era Archaeology: An Assessment of Museum Collections as Research Resources. Kentucky Heritage Council, \$5,700.
- 1985-86 Co-Principal Investigator, RB Clay, T Dillehay, RW Jefferies, and N O'Malley co-PIs, Adena in Kentucky: Reappraisal of Existing Materials and Initiation of New Field Work. Kentucky Heritage Council, \$24,250.
- 1985-86 Subcontractor, Norris Farms #36 Human Skeletal Analysis. Illinois State Museum, \$14,855.
- 1984-85 Principal Investigator, Kentucky Prehistory: The Preparation of a Museum Brochure. Kentucky Humanities Council, \$954.
- 1983-84 Postdoctoral Fellowship, Physical Anthropology, National Museum of Natural History, Smithsonian Institution.
- 1978 Dissertation Research Grant, Northwestern University.
- 1975-78 Graduate Fellowship, National Science Foundation.

Field Research (major projects; over 64 months of field work)

- 2009 Osteologist, Mendes excavation, Egypt. Classics and Ancient Mediterranean Studies, Penn State.
- 2006 Osteologist, TT-46 tomb excavation, Valley of the Nobles, Egypt. Classics and Ancient Mediterranean Studies, Penn State.
- 2004 Osteologist, SV-5 tomb excavation, Valley of the Nobles, Egypt. Classics and Ancient Mediterranean Studies, Penn State.
- 2003-04 Director, habitation site excavation in Kentucky. Anthropology Field School, Penn State.
- 2002 Director, habitation site test excavation in Kentucky. Anthropology, Penn State.
- 2002 Osteologist, TT-188 tomb excavation, Valley of the Nobles, Egypt. Classics and Ancient Mediterranean Studies, Penn State.
- 2001 Codirector, Archaic site survey in Kentucky. Anthropology, Penn State and University of Kentucky.
1995. Osteologist, mortuary and habitation site excavation on Saipan, CNMI. Micronesian Archaeological Research Services, Guam.
- 1992-93 Director, site surveys in Illinois and Missouri. Anthropology, Penn State.
- 1985 Codirector, survey, mapping, and excavation project in Kentucky. Anthropology Field School, University of Kentucky.
- 1978-82 Director, mortuary and habitation site excavations in Illinois. FAI-270 Highway project, University of Illinois.
- 1977 Supervisor, habitation site test excavations in Illinois. FAI-270 Highway project, University of Illinois.
- 1976 Supervisor, habitation site surveys and test excavations in Illinois and Wisconsin. Illinois Department of Transportation and Anthropology Field School, Loyola University, Chicago.
- 1975 Supervisor, habitation site surveys and test excavations in Illinois, Missouri, and Wisconsin. Historic Sites Survey and Anthropology Field School, Loyola University, Chicago.
- 1974 Supervisor, mortuary and habitation site survey and test excavations in Illinois. Historic Sites Survey.
- 1973 Supervisor, mortuary site excavation in Illinois. Anthropology Field School, Northwestern University.
- 1972 Supervisor, mortuary site excavation in Illinois. Anthropology Field School, Northwestern University.
- 1971 Student, Cahokia site excavation, Illinois. Anthropology Field School, Beloit College.

Collections Research (major projects)

- 2005-11 Modern (19th to 21st century) skeletons from the United States, Switzerland, Portugal, Mexico, and South Africa. Smithsonian Institution, University of Tennessee, Basel Naturhistorisches Museum, Museu

- Antropológico Universidade de Coimbra, University of Pretoria. various funding sources including several Max Planck Institute for Demographic Research projects.
- 2000 Medieval skeletons from Sortebrødre Torv in Odense, Denmark. Syddansk Universitet. American-Scandinavian Foundation project.
- 1999 Medieval skeletons from Sct. Mikkel and Tirup in Denmark. Syddansk Universitet. Penn State Research Initiation Grant project.
- 1997 Archaic skeletons and excavation notes from the Read Mound in Kentucky. University of Kentucky. Penn State and University of Kentucky project.
- 1996-99 Terry Skeletal Collection. Smithsonian Institution. Penn State Research and Graduate Studies Office project.
- 1995 Latte phase skeletons from the Susupe Project in Saipan (CNMI). Micronesian Archaeological Research Services project.
- 1993-94 Late prehistoric cultural materials from the central Mississippi River valley. multiple institutions. National Endowment for the Humanities project.
- 1991-94 Late Woodland skeletons from Hawkins Ridge in Ohio. Cincinnati Museum of Natural History. CMNH project.
- 1990-93 Pottery, stone tools, and site files from the central Mississippi River valley. multiple institutions. National Science Foundation project.
- 1987-88 Pottery, stone tools, and site files from the central Mississippi River valley, multiple institutions, Penn State Research Initiation Grant project.
- 1985-86 Organized the New Deal era archaeological archives in the Museum of Anthropology and prepared a collections guide. University of Kentucky. Kentucky Heritage Council project.
- 1985-86 Adena skeletons and site notes, emphasizing the Robbins Mound. University of Kentucky. Kentucky Heritage Council project.
- 1985+ Oneota skeletons from Norris Farms #36 in Illinois. Illinois State Museum. ISM project.
- 1983-84 Illinois Mississippian skeletons. Smithsonian Institution. Postdoctoral Fellowship.
- 1978-83 Features and their contents, reports on mortuary and habitation sites in Illinois, and began a publication series. University of Illinois. FAI-270 Highway project.
- 1978-82 Mississippian skeletons from the American Bottom in Illinois. multiple institutions. doctoral research project.

Museum Experience

- 1986-93 Museum of Anthropology, Penn State
Collections management, exhibit development (archaeology, biological anthropology, and ethnology)
- 1984-86 Museum of Anthropology, University of Kentucky
Collections management (including large New Deal era archaeological and osteological holdings), exhibit development (archaeology and biological anthropology)

Professional Society Memberships

- American Association for the Advancement of Science, Fellow
American Association of Physical Anthropologists
Illinois Archaeological Survey
Midwest Archaeological Conference
Missouri Archaeological Society
Paleopathology Association
Society for American Archaeology
Southeastern Archaeological Conference

Books and Monographs

- 2006 Milner GR. *The Cahokia Chiefdom: The Archaeology of a Mississippian Society*. Reprint. University Press of Florida, Gainesville. [Reprint of 1998 edition, with new Introduction.]
- 2004 Milner GR. *The Moundbuilders*. Thames and Hudson, London.
- 1998 Milner GR. *The Cahokia Chiefdom: The Archaeology of a Mississippian Society*. Smithsonian Institution Press, Washington, DC.
- 1993 Larsen CS, Milner GR, eds, *In the Wake of Contact: Biological Responses to Conquest*. J Wiley, New York.
- 1989 Buikstra JE, Milner GR. *The Dickson Mounds Site: An Annotated Bibliography*. Reports of Investigations 44. Illinois State Museum, Springfield.

- 1986 Milner GR, Smith VG. *New Deal Archaeology in Kentucky: Excavations, Collections, and Research*. Occasional Papers in Anthropology 5. Program for Cultural Resource Assessment, University of Kentucky, Lexington.
- 1984 Milner GR. *The Julien Site*. University of Illinois Press, Urbana.
- 1984 Milner GR. *The Robinson's Lake Site*. University of Illinois Press, Urbana.
- 1983 Milner GR. *The East St. Louis Stone Quarry Site Cemetery*. University of Illinois Press, Urbana.
- 1983 Milner GR. *The Turner and DeMange Sites*. University of Illinois Press, Urbana.
- 1983 Emerson TE, Milner GR, Jackson DK. *The Florence Street Site*. University of Illinois Press, Urbana.

- 1977 Milner GR. A Study of the Femoral Reaction Area in Five Prehistoric Illinois Skeletal Series. Central States Anthropological Society, Cincinnati, OH.

Symposium Discussant (symposium titles listed)

- 2015 Cahokia: Biological Evidence of Impacts and Interactions. American Association of Physical Anthropologists, St. Louis, MO.
- 2012 Scribes and Commoners, War and Peace: Forty Years of Mesoamerican Archaeology at Penn State. Society for American Archaeology, Memphis, TN.
- 2007 Personal Guides to Life in Antiquity: The Bioarchaeology of Individuals. American Association of Physical Anthropologists, Philadelphia, PA.
- 2004 The Changing Mississippian: Recent Research on Mississippian Sites in the American Bottom and Beyond, Southeastern Archaeological and Midwest Archaeological Conferences joint meeting, St. Louis, MO.
- 2004 Emerging Perspectives on Mississippian at the Falls of the Ohio River, Southeastern Archaeological and Midwest Archaeological Conferences joint meeting, St. Louis, MO.
- 2003 Mortuary Ritual and Human Taphonomy in Island Oceania, Society for American Archaeology, Milwaukee, WI.
- 2002 Biomolecular Archaeology: Genetic Approaches to the Past, Visiting Scholar Conference, Center for Archaeological Investigations, Southern Illinois University, Carbondale, IL.
- 2001 Interacting with the Dead: Secondary Burial and Cultural Modification of Human Remains. Society for American Archaeology, New Orleans, LA.
- 1999 Big Mound Power! Or, Power Who Needs It? Mid-Level Societies in the Real Old South. Southeastern Archaeological Conference, Pensacola, FL.
- 1996 History of Health and Nutrition in the Western Hemisphere, Ohio State University, Columbus, OH.
- 1995 Deciphering Anasazi Violence. Society for American Archaeology, Minneapolis, MN.
- 1993 Moundville Revisited. Society for American Archaeology, St. Louis, MO.
- 1992 Late Prehistoric Subsistence-Settlement Change in the Northern Eastern Woodlands. Society for American Archaeology, Pittsburgh, PA.
- 1990 Disease and Demographic Collapse in the Spanish Borderlands. American Association of Physical Anthropologists, Miami, FL.
- 1989 The Lower Mississippi Survey 1939-1989: a Review at Fifty. Southeastern Archaeological Conference. Tampa, FL.
- 1987 Mound 72: Early Mississippian Social Status, Site Structure, and Specialized Production at Cahokia. Midwest Archaeological Conference, Milwaukee, WI.

Workshops Developed and Presented

- 2013 Presenter Milner GR., Organizers Paul K, Buikstra JE. Transition Analysis and the Future of Skeletal Age Estimation. School of Human Evolution and Social Change, Arizona State University, Tempe, AZ, two day duration.
- 2011 Presenters Ousley SD, Milner GR., Organizer L'Abbe E. Short Course in Advanced Statistical Methods and its Applications for Improving Biological Profile Estimations. Forensic Anthropology Research Centre, Department of Anatomy, University of Pretoria, South Africa, one week duration.
- 2010 Presenters Boldsen JL, Milner GR. Paleoepidemiology. Paleopathology Association, Albuquerque, NM, half-day duration.
- 2008 Presenter Milner GR, Method Developers Boldsen JL, Milner GR, Chairs Buikstra JE, Milner GR, Murray E. Transition Analysis: A New Approach to Skeletal Age Estimation for Anthropologists. American Academy of Forensic Sciences, Washington, DC, half-day duration.
- 2007 Presenter Milner GR, Method Developers Boldsen JL, Milner GR, Organizers Buikstra JE, Tiesler V. Transition Analysis: Determinación Macroscópica de Edad. Facultad de Ciencias Antropológicas, Universidad Autónoma de Yucatán, Mexico, one week duration.
- 2007 Presenters and Organizers Boldsen JL, Freund UH, Gampe J, Milner GR, Petersen HC, Weise S. Three Milner presentations: 1) Age Estimation: Past and Present; 2) Age Progressive Changes in the Skeleton; and 3) Transition Analysis: Traits. Summer School on Osteological Age Estimation and Paleodemographic Analysis. Max Planck Institute of Demographic Research and University of Southern Denmark, Odense, Denmark, two week duration.
- 2006 Presenter Milner GR, Method Developers Boldsen JL, Milner GR. Transition Analysis: A New Means of Estimating the Age of Adult Skeletons. Northeast Forensic Anthropology Association, Erie, PA, half-day duration.

Keynote Addresses and Plenary Session Contributions

- 2015 Milner GR. Bioarchaeology of Cahokia and the Central Illinois River Valley. Paleopathology Association, St. Louis, MO.
- 2011 Milner GR. Injuries and Death at a Late Prehistoric Site in the American Midwest: The Tortuous Path from Skeletons to Populations. Gesellschaft für Anthropologie, Schleswig, Germany.
- 2008 Milner GR. Bioarchaeology: Making Biological and Anthropological Sense of the Past. Plenary address. European Anthropological Association, Odense, Denmark.
- 2006 Milner GR. Mound Building in Eastern North America. Keynote address. Louisiana Archaeological Society, Monroe, LA.
- 2004 Milner GR. Trauma in Tirup and Other Medieval Danish Communities. Plenary session. European Anthropological Association, Komotini, Greece.
- 2001 Milner GR. Long-Term Trends in Population Growth and Subsistence Change in the Eastern Woodlands. Plenary session, Midwest Archaeological Conference, La Crosse, WI.
- 1997 Milner GR, Katzenberg MA. Contributions of Biological Anthropologists to Great Lakes Archaeology, Plenary session, Midwest Archaeological Conference and Ontario Archaeological Society, Toronto, ON.
- 1996 Milner GR. The Muddled Mississippian Period: Agendas, Analogs, and Analyses. Plenary session, Society for American Archaeology, New Orleans, LA.
- 1993 Milner GR. Controversies Concerning Cahokia's Communities. Plenary session, Midwest Archaeological Conference, Milwaukee, WI.
- 1992 Milner GR. The Impact of Europeans on Native Americans in the Sixteenth and Seventeenth Centuries in the Southeastern United States. Keynote address, Illinois Archaeological Survey, Springfield, IL.
- 1992 Milner GR. Tracking the Four Horsemen Across the Post-Columbian Southeast. Keynote address, Southeastern Archaeological Conference, Little Rock, AR.
- 1988 Milner GR. Population Dynamics and Archaeological Interpretation. University of Illinois MillerComm lecture series and Plenary session, Midwest Archaeological Conference, Urbana, IL.

Invited Lectures

- 2014 14th Forensic Anthropology Short Course in Human Identification (3 lectures), Department of Applied Forensic Sciences, Mercyhurst University, Erie, PA.
- 2014 Disaster Mortuary Operational Response Team (DMORT) Region III Annual Training, National Disaster Medical System (NDMS), US Department of Health and Human Services (HHS), Gettysburg, PA.
- 2014 Department of Applied Forensic Sciences, Mercyhurst University, Erie, PA.

- 2013 13th Forensic Anthropology Short Course in Human Identification (3 lectures), Department of Applied Forensic Sciences, Mercyhurst University, Erie, PA.
- 2013 Department of Applied Forensic Sciences (2 lectures), Mercyhurst University, Erie, PA.
- 2012 Odense Occasional Osteology Seminar 31, Syddansk Universitet, Odense, Denmark.
- 2012 12th Forensic Anthropology Short Course in Human Identification (3 lectures), Department of Applied Forensic Sciences, Mercyhurst University, Erie, PA.
- 2011 Archaeological Field School, Illinois State Museum (Dickson Mounds) and Michigan State University, Lewistown, IL.
- 2011 11th Forensic Anthropology Short Course in Human Identification (3 lectures), Department of Applied Forensic Sciences, Mercyhurst College, Erie, PA.
- 2011 Department of Forensic Science, Penn State, University Park, PA.
- 2011 Disaster Mortuary Operational Response Team (DMORT) Region III Annual Training, National Disaster Medical System (NDMS), US Department of Health and Human Services (HHS), Gettysburg, PA.
- 2010 Department of Anthropology, Ohio State University, Columbus, OH.
- 2010 10th Forensic Anthropology Short Course in Human Identification (3 lectures), Department of Applied Forensic Sciences, Mercyhurst College, Erie, PA.
- 2009 Department of Anthropology, University of Kentucky, Lexington, KY.
- 2009 Anthropology Colloquium, Pennsylvania State University, University Park, PA.
- 2009 9th Forensic Anthropology Short Course in Human Identification (3 lectures), Department of Applied Forensic Sciences, Mercyhurst College, Erie, PA.
- 2009 Department of Anthropology (2 lectures), Washington University, St. Louis, MO.
- 2008 Department of Anthropology, University of Kentucky, Lexington, KY.
- 2008 8th Forensic Anthropology Short Course in Human Identification (3 lectures), Department of Applied Forensic Sciences, Mercyhurst College, Erie, PA.
- 2008 Departamento de Antropologia, Faculdade de Ciências e Tecnologia, Universidade de Coimbra, Coimbra, Portugal.
- 2008 8th Eli Lilly Lecture in Archaeology, Glenn Black Laboratory, Angel Mounds State Historic Site, Evansville, IN.
